May Arts & Crafts.

Residents made paper towel flowers and painted them with water colours.

Paper tulips made by the residents.

Laughter is good for the soul.

1. Old age makes us great multitaskers. Why, I can sneeze and pee at the same time!
 2. Now that I've gotten older, everything's finally starting to click for me. My knees, my back, my neck
 3. One benefit of old age is that your secrets are always safe with your friends ... because they can't remember them!
 4. How is the moon like dentures? Both come out at night.
 5. Retirement is wonderful. It's doing nothing without worrying about getting caught.
 6. You know you're getting old when your doctor refers you to an archaeologist.
 7. Why should you marry someone older than you? As your looks fade, so will their eyesight
 8. I always wanted to marry Mrs. Right. I just didn't know her first name was going to be "Always."
 9. I called the incontinence hotline recently. They asked if I could hold.
 10. Age is an issue of mind over matter. If you don't mind getting older, then it really doesn't matter
